Low fares and *easy transfers* between services!

Greetings!

Welcome to 2012!

Here it is, summer again. Warm weather, picnics, baseball, swimming and other outdoor activities are in full swing. It seems like the days go faster and faster. Enclosed you will find lots of outdoor activities to participate in this summer.

I am proud of the way the citizens have joined forces with the Parks, Recreation and Neighborhoods Department to make the City of Modesto a place of pride and ownership. Together we are combating graffiti, vandalism, and litter. With the overall reduction of city services, it is more important than ever that the citizens become involved to assist us in targeting problem areas. Through these partnerships we have developed a dog park in Elk Park near the downtown/college area, created a soccer field in the Airport neighborhood and replaced the play equipment at Tuolumne River Regional Park. With your help we are taking back our neighborhoods and park areas; if you see graffiti you can report it on our webpage at www.modestogov.com/prnd and click on the 'Report Graffiti' button.

Another way you can volunteer is to sign up to work at one of our 'Takin it to the Streets' city-wide clean-up days. These volunteer days are dedicated to cleaning up our neighborhoods by painting over graffiti, picking up trash and/or removing overgrown weeds from our alleyways and performing a general 'spruce up' of the city, making our city neat and clean. With your help, a morning spent volunteering on these projects proves the saying "many hands make light work". In past clean ups, we have removed tons of debris from city streets and park areas, replaced sand and fiber in play areas, removed weeds and debris from trails, and repainted curbs and bollards. If you would like to help us spruce up the city in this effort, please contact the Parks, Recreation and Neighborhoods Department or go to our webpage at www.modestogov.com/prnd and click on the 'Takin' It To The Streets' button. Our Saturday clean up days this year are April 28, June 16 and September 29. I look forward to seeing you at one of these events.

If you have any questions or concerns regarding our parks, neighborhoods or events, please feel free to contact me or our staff at www.modestogov.com/prnd or 209-577-5344.

Sincerely,

Julie G. Hannon, Director
Parks, Recreation and Neighborhoods Department
